PROXES R888

Proxes R888 Specifications

Designed by Toyo's Motorsport Team, the Proxes R888 gives true grip on the track and is road-legal, so you can also drive home on it.

Our new track day tyre is the road legal Proxes R888. Design by our motorsport team using high tech computer systems has resulted in an outstanding compound that delivers perfect results in the dry and wet. The medium soft compound has performed significantly better than soft compound competitor tyres.
